

# 1 CONSTRUCTION DIAGRAM

- |                               |                      |
|-------------------------------|----------------------|
| 1 HANDLE KNOB                 | 19 ARM BRACKET       |
| 2 END CUP                     | 20 SWITCH INSULATION |
| 3 HEATING ELECTRIC ATTACTMENT | 21 LIMITED SWITCH    |
| 4 HEATER FORE COVER           | 22 POWER SWITCH      |
| 5 FIXED TEFLON PLATE          | 23 HEATING LAMP      |
| 6 PLATEN ARM                  | 24 TIMER KNOB        |
| 7 HEATER INSULATION PLATE     | 25 VARIABLE RESISTOR |
| 8 LOWER TAPE                  | 26 TIMER CONTROL PCB |
| 9 HEATER ELEMENT              | 27 TRANSFORMER       |
| 10 TEFLON CLOTH               | 28 BUSHING           |
| 11 BOLT COVER                 | 29 POWER SUPPER CORD |
| 12 BRACKET FOR SPRING         | 30 FUSE HOLDER       |
| 13 SWITCH LEVER               | 31 ENCLOSUER BODY    |
| 14 HEATER PROTECTION PLATE    | 32 HANDLE            |
| 15 LEVER SPRING               | 33 BACK PLATE        |
| 16 HEATER BACK COVER          | 34 BASE PLATE        |
| 17 SILICON RUBBER             | 35 RUBBER FOOT       |
| 18 SEALING BRACKET            |                      |
